**We carry  
the *right* stock.**

## PRODUCTS

ferrite cores  
bobbins  
mounting hardware  
EMI suppression products  
powder cores  
nanocrystalline cores

## SERVICES

machining  
gapping  
fabricating  
cutting  
just-in-time inventory management  
design assistance  
cross reference assistance  
coating

Accessories  
Amorphous cores  
Beads  
Beads on wire  
Bobbins  
Cable shields  
Common mode chokes  
Custom cores  
Drum cores  
E cores  
EC cores  
EFD cores  
EP cores  
EQ cores  
ER cores  
ETD cores  
Ferrite beads  
I cores  
IIC (Integrated Inductive Components)  
Low profile cores  
Mounting hardware  
Multi-hole cores  
PQ cores  
Planar cores  
Pot cores  
Proximity cores  
RFID High Frequency ID Tags  
Ring cores  
RM cores  
Rods  
SMD wide band chokes  
Surface-mount beads  
Toroids  
Transformer cores  
Tubes  
U cores  
Wide band chokes
