

The Adams pocket magnet is a handy, magnetic tool that identifies valuable, ferrous materials such as iron and steel. It's perfect for scrap testing and recycling. Extending its use from hand tool to marketing tool, Pocket Magnets can be specified in a choice of colors and with custom imprinting such as company logos and contact information.

## Aluminum Encased Pocket Magnets

## Imprinted Products

Add your logo to our pocket magnets to make an attractive impression! 200 piece minimum.

### Artwork Specifications

Artwork files must be supplied in Adobe Illustrator CS3 or earlier, EPS format. Imprint size is 0.5" x 2". All fonts must be converted to outlines. (Highlight text and under "Type", click on "Create Outlines.")

### Media

The easiest way to send us files is via e-mail to [info@adamsmagnetic.com](mailto:info@adamsmagnetic.com). We can receive e-mail attachments up to 4 megabytes, but keep in mind that your outbound e-mail server may have smaller limits. If you cannot send your file via e-mail, please add your artwork to a CD and mail it with your order information to:

Adams Magnetic Products PO Box 1829 Sonoma, CA 95476

### Need Design Assistance?

If you don't have an appropriate file type or finished design, we can help. Our internal designers know what works best on our presses. We charge very reasonable rates and happily provide no-obligation quotes before starting work. You will be consulted throughout the design process and will have ample opportunity to make changes if you choose. Please contact us for a quote.
